

Sarah Drab
Naples, FL

To Whom It May Concern:

It is with pleasure that I write this letter of recommendation for Sarah Drab. Sarah joined the Clinton Foundation in August 2014 as an intern for the Development Department.

Building on a lifetime of public service, President Bill Clinton established the Clinton Foundation with the mission to alleviate poverty, improve global health, strengthen economies, and protect the environment by fostering partnerships among governments, businesses, nongovernmental organizations, and private citizens — leveraging their expertise, resources, and passions — to turn good intentions into measurable results. The Development Department raises the funds to support the Foundation and its programs, both domestically and abroad.

During her tenure with the Foundation, Sarah demonstrated a strong work ethic and always completed every task on time. Sarah exemplified a go-getter attitude, seizing every opportunity to learn more about fundraising and philanthropy. Although her time was short, Sarah made an indelible impression on everyone at the Foundation and went above and beyond the call of duty with our research and events teams.

She is an inquisitive, intelligent, and dedicated individual who was an asset to the team. I am sure she will bring the same level of commitment and passion to any endeavor she undertakes. If you have specific questions or require additional information, I can be reached during the day at (646) 981-6470 or dstilz@clintonfoundation.org.

Sincerely,

Danielle Stilz
Deputy Director of Development
